

JADI IMAGING HOLDINGS BERHAD
(200001023711)(526319-P)
(Incorporated in Malaysia)

NOTES IN RESPECT OF THE QUESTION-AND-ANSWER (“Q&A”) SESSION AT THE TWENTIETH ANNUAL GENERAL MEETING OF THE COMPANY CONDUCTED FULLY VIRTUAL THROUGH ONLINE MEETING PLATFORM VIA TIIH ONLINE WEBSITE AT [HTTPS://TIIH.ONLINE](https://tiih.online) OR [HTTPS://TIIH.COM.MY](https://tiih.com.my) (DOMAIN REGISTRATION NUMBER WITH MYNIC: D1A282781) PROVIDED BY TRICOR INVESTOR & ISSUING HOUSE SERVICES SDN. BHD. IN MALAYSIA ON 28 SEPTEMBER 2021, TUESDAY AT 11.00 A.M.

- Shareholder
- Q1: 1) What is the Company’s outlook for the rest of the year and FY2023?
- 2) What is the Company’s growth strategy ahead following the supply pact termination with Static Control Holdings?

- Chairman
(Liew Kim Siong)
- A1: 1) The outlook for the year remained challenging due to the Covid-19 pandemic, especially during the second half of the year when most of the companies and factories were forced to stop operating due to the EMCO.

Hopefully, by 2023, the Covid-19 pandemic will become endemic and be treated as the common cold, and all businesses can operate as usual.

- 2) In terms of growth strategy, the Company’s sales revenue was affected by several lockdowns, which were enforced due to the increased number of Covid-19 cases in Malaysia.

The Company will continue to focus on high-profit margin products.

Further, the Company has expanded its business into other business segments, especially distribution of healthcare products via Jadi Life Solutions Sdn. Bhd. Management hopes to get the Government’s approval to distribute probiotic products soon.

Regarding the termination of Framework Supply Agreement (“FSA”) with Static Control Holdings (“SCH”), Management terminated the FSA as SCH failed to meet the required purchase quantity as stipulated in the FSA. Following the termination of the FSA, the Company has better flexibility to work with other companies and to have a different business arrangement with SCH.

JADI IMAGING HOLDINGS BERHAD
(200001023711)(526319-P)
– TWENTIETH ANNUAL GENERAL MEETING

Despite the termination of the FSA with SCH, orders from SCH for chemical toners continued and even increased.
